Teckelklub's Top Nine for The Canine of Your Heart

In 2018, Teckelklub celebrates 20 years of handcrafting dog apparel in our hometown of Vancouver, Canada. We take pride in staying true to the original mission of the company which is to design and manufacture functional pet products in an environmentally and socially responsible way. Teckelklub's dog apparel and pet lifestyle products are 100% handcrafted in Canada. We support locally-operated businesses across the globe, and hire local, skilled craftspeople to handcraft each of our products using the highest quality materials available in the market.

Our commitment to quality, and to our community has stayed the course since 1998 when Teckelklub emerged as the original dog apparel company. Today, we proudly deliver our high-quality products to dogs and their owners around the globe. Whether you and your dog are first time Teckelklub owners, or loyal enthusiasts, we have the dog lifestyle goods to ensure your dog thrives wherever you live. Our Canadian manufacturing quality has lasting functionality and style. Proudly supporting Canada and North America for our collective future. Quality made to stand the test of time.

the Bunnyhug

Teckelklub's latest fleece addition comes with extreme comfort, functionality and style combined in a hoodie for year-round appeal. The Bunnyhug is a hooded fleece coat that is sure to keep the cold and wind out, while providing huggable comfort to keep the warmth in. Complete with a highly visible 2" wide 3M reflective strip and sport-luxe stripe, The Bunnyhug is ideal for year-round walks to keep your dog safely highly visible at all times.

The Bunnyhug utilizes the same high quality fleece as our ever popular Fuzzie. It is both anti-pill, and thick to ensure that it will retain its shape and style for years of use. This hoodie easily fits the neck of all dog breeds, while providing an underbelly Velcro-brand closure for ease of use and adjustability for every size of dog.

Available in three exciting unisex colors including Lemon Yellow, Denim Blue, and Pacific Ocean, The Bunnyhug is sure to become a comfort and warmth favorite that rivals the coziness of your best-loved blanket. The Bunnyhug is made in Canada with the highest quality materials available in the market. Cold water washable and hang to dry to protect the 3M reflective features. Sizes available in every 2" increments for an ideal fit for all breeds and sizes 10" [25cm] through 20" [51cm].

Key Features & Benefits

- 100% windproof, breathable warmth
- Proudly North American, made in Canada quality
- Large horizontal harness opening
- High visibility 3M 2" reflective feature with sport-luxe stripe

- Lemon Yellow + Reflective Features,
- Denim Blue + Reflective Features,
- Pacific Ocean + Reflective Features

Salsa styling The Cascadia Vest with high reflective features

the Cascadia

Key Features & Benefits

- 100% windproof, breathable warmth
- Proudly North American, made in Canada quality
- Large horizontal harness opening
- High visibility 2" wide 3M sport-luxe stripe and reflective piping

Colors

Cherry Red quilted and lined with Cherry Red Fuzzie fleece

CHERRY RED
CHERRY RED FUZZIE FLEECE

The new Cascadia Puffa Vest is an ideal layering coat for all dog breeds. It is highly functional with a 2" wide, 3M sport-luxe reflective stripe down the back for excellent visibility any time of the year. The Cascadia is made of both breathable, and durable, rip-stop nylon making it all-weather proof for windy, cool conditions. As a standalone barrier for cold weather, or a base layer for use under any of the Teckelklub waterproof coats, The Cascadia utilizes Velcro-brand closures at the neck and under belly for our signature easy-on, easy-off fit. The vest is fully trimmed with 3M brand reflective piping to ensure visibility from every angle.

Launching in the unisex color of Cherry Red, The Cascadia is quilted and also lined with high quality soft Cherry Red Fuzzie fleece for extreme comfort. Made in Canada with high quality fabrics that will stand the test of time. The Cascadia Vest is designed as a base layer to be worn under a waterproof coat or standalone for cold climate protection. This vest is water-resistant rather than waterproof. Cold water washable and hang to dry to protect the 3M reflective features. Available in sizes XS 11" [28cm] through XL 20" [51m].

Salsa shows off The Hudson our classic waterproof coat

the Hudson

Durability, and timeless quality are built into every one of our made in Canada dog coats. The Hudson is made with 100% cotton for high breathability and it does not trap the moisture against your dog's fur. The special fabric is twice infused with an environmentally clean wax formula to ensure maximum rain, wind and snow protection in all weather conditions.

A fine tartan plaid adorns the coat which is an ideal color for either female or male dogs. The coat's subtle tartan pattern has tones that reflect the earth in a lively combination of hunter green, harvest yellow, with cherry red pinstripe accent. The thick anti-pill 420 weight Fuzzie fleece is Cherry Red and lines the entire Hudson for exceptional warmth and comfort.

The Hudson is our signature easy-on, easy-off dog comfort Teckelklub pattern. In addition, this coat has extra chest and neck coverage for maximum weather protection. This coat has an oversized stand-up collar that can be worn up to protect against the wind and rain like a hood, or it can be folded down for a flash of high visibility. An ideal dog coat with modern style, it offers waterproof, breathable protection with a covered waterproof opening so you can access your dog's harness for easy leash attachment. The coat is designed to keep the dog's core body warm and dry at all times. The Hudson is durable, waterproof and trimmed all around with 3M™ reflective piping for high visibility during overcast or nighttime walks. Cold water wash or damp wipe to clean, and hang to dry.

Key Features & Benefits

- 100% waterproof, breathable warmth
- Proudly North American, made in Canada quality
- Covered waterproof harness opening
- High visibility reflective piping

Our beautifully crafted Pinnacle is equal parts functionality with practical quality to meet the needs of all dogs during the coldest winter seasons. This coat is made from waterproof, high performance ripstop with extra warmth in the neck and chest coverage to meet the demands of all winter weather conditions. It has superior visibility features including a 100% reflective harness opening and high quality 3M reflective piping around all sides of the coat.

The Pinnacle is lined with anti-pill, high quality Teckelklub Fuzzie fleece for added warmth. An ideal coat with modern style, it offers waterproof, breathable protection with a covered opening so you can access your dog's harness for easy leash attachment. The coat is designed to keep the dog's core body warm and dry at all times. The Pinnacle is durable, waterproof and available to fit all breeds in sizes XS 11" [28cm] through XL 20" [51cm]. Cold water wash or damp wipe to clean, and hang to dry.

the Trench

Teckelklub's original dog coat design, our classic Trench has great functionality and styling combined to deliver on all fronts. The Trench is 100% waterproof, with fleece lined warmth and durable, breathable fabric. It has Teckelklub's signature easy on and off design suited to fit with high comfort on all dog breeds. A new twist on The Trench is the very popular Pearl. A luminous glacier white with high visibility 3M reflective collar & body features and complete with reflective piping all around for outstanding year-round visibility.

The Trench is available in a wide range of colors including the popular Mont Blanc and Bordeaux which have contrasting Coal Black collars. This European styled coat is available in a wide range of sizes from 9" [23cm] through 30" [76cm] all trimmed with 3M silver reflective piping for high visibility. Machine washable for easy cleaning and lined with Charcoal Grey anti-pill high quality fleece.

Key Features & Benefits

New to The Fuzzie collection, The Rover Plaid is available in Ivory, Ruby and Pistachio with Coal Black collar. The Teckelklub Fuzzie is the original fleece dog sweater in the market which provides great flexibility to be worn alone or layered under any Teckelklub coat.

This functional favorite is available in an eye-catching range of colors that will suit the style of any dog and owner. The Fuzzie is an extremely popular and versatile warmth solution that fits all dog breeds and sizes. As cozy as your favorite sweater, The Fuzzie provides just the right amount of warmth for outdoors and indoors warmth for young and mature dogs. The Fuzzie is made from high quality 420 weight anti-pill Polyester fleece with reflective features for high visibility. The Fuzzie is sized in 2" increments for an ideal fit for all breeds and sizes 6" [15cm] through 28" [71cm].

the Softshell Supercoat

Our superbly-crafted tri-climate coat delivers on functional weather protection and breathability to meet the needs of all dogs. Our Softshell Supercoat™ is a weather resistant high-performance layer with a modern twist of style. It offers the highest quality waterproof, air permeable and breathable protection to keep dogs dry both from within and from out while blocking rain, snow and wind all year round. The Supercoat is designed to be worn alone providing a smooth, warm fabric for a high warmth to weight ratio, or it can be worn as a base layer in combination with any Teckelklub Fuzzies or coats.

The combination of warmth, waterproof and breathability offers super soft-shell comfort in a revolutionary coat made to get on and off with ease. Stretch-woven Softshell fabric offers excellent insulating protection for cold, windy conditions plus full chest coverage without overheating. The Supercoat is trimmed with 3M reflective piping for high visibility. Cold water wash or damp wipe to clean, and hang to dry.

Key Features & Benefits

- Very high breathability and air permeability
- Comfortable stretch weave fits all breeds
- Lightweight but warm in a super fabric combination
- High visibility reflective leash attachment metal D ring

the **K9|exo** chest harness

Comfort, safety and style combine to make our K9|exo Chest Harness. The chest panel, crafted from a double layer of ultra soft and comfortable Teckelklub Fuzzie fleece, virtually eliminates the ability for your dog to back out. The K9|exo features easy on, easy off technology with no uncomfortable webbing or buckles, and no pulling on the dog's neck. Simple to fasten and wear alone, or on top of The Trench or any of Teckelklub's apparel products, The K9|exo is made using 2" wide Velcro® and is complete with high visibility 3M reflective features. Cold water wash or damp wipe to clean, and hang to dry.

Unique to Teckelklub, The K9|exo High Reflective Silver harness provides very high visibility as the entire top and sides of the harness is waterproof, reflective fabric.

through XL 20" [51cm]

Teckelklub's original design for the Slicker collection features a reflective back strip and D ring for easy on and easy off leash attachment. The Slicker is tried and true as a lightweight solution to cover all rainy seasons as it is not fleece lined. This 100% waterproof coat is lined with grey poly-cotton and is finished with high visibility 3M brand reflective piping trim all around. Try the flexibility of layering The Fuzzie under The Slicker to guard against fickle weather days.

The Slicker fits all breeds and all sizes XXS 9" [23cm] through 4XL 30" [76cm]. Cold water wash or damp wipe to clean, and hang to dry.

the Soho Burrow Bed

Let your dog lounge in the lap of luxury and burrow to their heart's content. Our Burrow Bed is perfect in any setting at home, in the office or during travel. The innovative two-in-one design works as a burrow bed and a double thick floor blanket. This bed will suit any dog that likes to tunnel underneath and through blankets until they find the perfect position. The SOHO is available in high quality fleece, thick faux fur, or quilted fabric. The Burrow Bed is 24" [60cm] when folded into itself and extends to 48" [120cm] long to create a double thick floor blanket. Cold water wash or damp wipe to clean and hang to dry.

Key Features & Benefits

- Fits all breeds, all sizes of dog
- High visibility reflective features
- Waterproof, breathable warmth
- North American made quality

the Petpod

A brand new design, The PetPod functions as a comfortable sleeping and burrow bed for dogs at home, or on the go anywhere, anytime. The design is a super thick blanket comprised of 4 layers of fleece to allow dogs to comfortably move inside and make it their own. Made of the same quality fleece as The Fuzzie, this bed provides year-round warmth and durability. Ideally suited to dogs that range from puppies up to 60 lbs [27 kg]. The PetPod is now available in our new Heather Grey with Charcoal Grey fleece combination, and finished on the inside with a second fleece layer of Marshmallow with quality piping on all edges. Cold water wash or damp wipe to clean and hang to dry.
